

## Sport and Recreation Workshop

# Child Protection

## Mt Gravatt

**Tuesday 26 August 2008**

6pm – 9pm

This workshop will:

- explore some of the myths for those who deal with children and young people and examine the reality of abuse in all its forms;
- provide a course in protective behaviour awareness; and
- supply practical advice on conducting a physical audit of your premises to ensure it provides a safe physical environment for children, young people and adults.

## Venue

Mt Gravatt Bowls Club, 1873 Logan Road, Upper Mount Gravatt

This workshop is part of a series of Queensland Government initiatives to discuss current issues facing the sport and recreation industry. This workshop is a great learning opportunity for coaches, administrators, instructors and volunteers operating at the grassroots level.

**Register now and help build active communities.**
