A message from Football Queensland

It has been brought to my attention that in some instances some teams currently playing Small Sided Games are deliberately standing players in front of goal or in the goal. I have had reports that some coaches are instructing up to 3 players to stand in goal in an attempt to block shots from the opposition.

I would like to remind all "adults" in charge of teams or who have players in teams either at trainings or on game days that the SSG handbook clearly states that

"the emphasis is on participation and enjoyment, and an associated removal of the current emphasis on the importance of winning, children are much more likely to enjoy their football playing experience, will be keen to play more often and are less likely to drop out of the game."

Over the past 3 months I have noticed that it is the adults that are the ones that still need to understand and grasp the spirit and philosophy of SSG. It has been proven by the majority of clubs that have embraced the SSG concept across Queensland that by not encouraging the emphasis on winning, and just letting the players "play" that the SSG philosophy and guidelines work extremely well and are giving those players a great playing experience.

I would like to remind all club officials, coaches, game leaders, and parents that the Football Federation Australia Small Sided Games DVD has now been made available to all clubs. Among the rules, benefits, and explanations of guidelines etc, the DVD also contains training sessions that will help coaches prepare and educate players for Small Sided Games.

Football Queensland also offer the FFA Grassroots coaching certificate and interested clubs are encouraged to contact Kara Burley at Football Queensland on 07 3420 5866 to book a course.

This course is of three hours duration and is aimed at beginner coaches and teachers of players up to 10 years of age. It is designed to give them a basic understanding of their role and to provide them with practical ideas for training sessions, each participant also receives a coaching booklet full of SSG games and training sessions.

Football Queensland and FFA web sites also contain resources for clubs to encourage the coaches to coach SSG.

I must remind the adults that the reason the children are involved in the game is to play, and have fun, kids will always keep score and they do not need the adults to encourage or manipulate the game's outcome. I strongly encourage the adults to stand back and let the players just "play". We must keep in mind that it is the long term development of the players we are trying to encourage and not how many goals your U7 team beat the opposition by.

U6 LEOPARDS

The Leopards played the Lions on Saturday 7th June, where everyone looked and played like champions in their new jerseys.

The parents & spectators enjoyed lots of goals from both teams, who have improved enormously in a short time.

U9 PUMAS

The Pumas played a great game against Park Ridge on Saturday. The first half remained scoreless but Park Ridge kept our goalie Daniel busy. He made some great saves, deflecting one over the top of the goals. He was well supported by Kane and Camo while Dylan, Riley and Jackson worked well together in the attack line.

In the second half, Bailey went into the goals and was also kept busy by a strong Park Ridge attack but he did an amazing job. Matthew and Brock helped in the defense in the second half which saw Camo score off a kick from Bailey in the goals with about 3 minutes to spare.

Mitchell received the player of the match for being an awesome all round player that plays well in any position on the field. The boys passing and kicking skills are really coming along and they are working well as a team and we all enjoying watching you play each week.

UNDER 9 BOBCATS

Today we played away at Greenbank and many of the team came up against classmates. We had Jack in goal in the 1st half with Lockie, Harrison and Annie in the forward position, Lauren, Connor and Lachlan midfield and Nick & Zoe in defence. We tried hard but Greenbank were able to score. Lockie & Connor's heads almost clashed at one point! Jack made some good saves, Made travelled well with the ball – outrunning the Greenbank players – keep it up Made. Greenbank scored a few more times before Connor had a chance, but it wasn't to be. 2nd half Harrison was our goalie and he was put to work – saving many goals – flying, crawling – any which way he could!

Again Connor showed us his skills at heading the ball. Made was almost about to score but fell and we all felt for him. The girls showed great skills today with Zoe in defence and Abigail running the length of the pitch – outrunning the Greenbank players. Well done team. Player of the Match went to Nick and encouragement award went to Lachlan. Happy Birthday to Lockie for Saturday – hope you had a fantastic day.

UNDER 11 SIBERIAN TIGERS

A fantastic game was had by all players against Souths United this week. We must comment on how great they all looked in their new jerseys. Mathew had a terrific game blocking many balls from entering the goal. Angus did his absolute best considering he had a sore ankle and we would all like to thank him for his big effort.

Michael also had a great game and was in to everything he possibly could even with his mum calling from the sideline to try and keep him in position. His effort earned him the player of the match which was very much deserved.

Simon also put everything he could into the game this week, even though he was playing a position he didn't like. For his big effort he got the encouragement award.

The player of the match from our last game was Sam who was presented with his award this week due to us running out of ribbons, so we would like to apologise for the delay.

All our forwards were up there trying their hardest to get that ball into the goal but it wasn't to be. We may have lost the game to Souths but we certainly made them work very hard to get the 2 goals they did.

We would also like to thank Kiara for being a wonderful captain this week. Keep up the great work kids!!

UNDER 11 BENGAL TIGERS

This week the Bengals played away against Mooroodu. With light showers falling it may have turned out to be a wasted trip, but the game still went on.

Mooroodu started the game well working the ball around the Tigers but our defence quickly stopped them. It wasn't long before our forwards started to work with good passes and some good shots at goal – but the Mooroodu goalie was rock solid. Our midfield worked the ball well feeding our forwards and then it happened – goals galore!...2-0.

Mooroodu combined well to sneak past our defence to score just before half-time ..2-1.

In the second half the Mooroodu planted another goal against the Bengals 2-2

Then the Tigers stepped into overdrive with the whole team working together and put more pressure on Mooroodu to score another four goals. 6-2

Congratulations to the whole team. The Encouragement Award went to Jamie Ward and Player of the Match to Bayley Lowe.

Well Done Again Tigers

U13 LIONS

The Lions were defeated 6-0 by Acacia Ridge on Saturday. They started the game strongly, keeping possession of the ball for the majority of the first 15 minutes. In the 4th minute, there was some brilliant teamwork between Bob and Owen which culminated in a magic cross from Owen across to the goals where 2 of our Strikers were waiting to finish off. Unfortunately for the Lions, the opposing Keeper has punched the ball clear. Our next opportunity came in the 7th minute, with Bullet finding himself in a 1v1 situation versus the Keeper. But again, Acacia Ridges' Keeper has excelled, coming out to take Bullet on, smothering the ball from Bullets' feet, and saving yet another ball from seeing the back of the net. And then came the turn around in the 17th minute, when Acacia Ridge has made a lucky break and guided the ball all the way home to see the first goal scored. Acacia Ridge has then lifted the bar, showing great enthusiasm and determination to win that was not matched by the Lions. The Lions were beaten another 2 times taking us to half time 3 nil down.

With renewed energy, the Lions returned from the break keen to turn things around. And it was looking promising for the first 10 minutes, although we were still struggling to finish off. But just like the first half, Acacia Ridge again started to dominate late in the half, scoring another 3 goals in quick succession.

Although the final score was 6-0, there was not really a lot of difference in the 2 sides. The main difference was that Acacia Ridge wanted to win more than the Lions did. The Lions started off as the dominant side but with only 1 goal scored against us, the pendulum swung considerably with Acacia Ridge showing the steely determination needed to win football matches. For homework this week, the Lions will be directed to watch the Maroons win the 2nd State of Origin match on Wednesday night. The Maroons 'never say die' mind set is what the Lions needed on Saturday. The Maroons, never ever give up....they put in 110% until the very last whistle is blown and not a second earlier!

Player of the match went to Bob and Encouragement Award to Bullet!!!

VOLUNTEERS NEEDED FOR UNDER 9's CARNIVAL - 15 June 08

Teviot Downs Soccer Club will be hosting an Under 9's Carnival on the 15th June 2008.

We have many clubs registered to attend.

This will be a full day event where we would love to have the club come along and support in any way they can.....

Come along for an hour or more or the whole day!!

We will be seeking volunteers for the day to assist with:

Set up of fields – goals, line marking, shade shelters (any Under 9 parents can you bring a shade shelter?)
Canteen helpers – all day, any hour you can offer!
Game time keepers, score tent
Referees
Ground official
And more!
Many hands make light work!
Volunteers will have lunch catered for them and drinks throughout the day for those helping out

Looking forward to seeing you all there!! We have a volunteers board on the store room wall for interested persons – but feel free to email back with your comments!!

VOLUNTEERS NEEDED IN THE CLUB CANTEN

Training nights – if we can have at least one volunteer step forward each training night from any ONE team (Book your training night now to suit you the best!!) this would be a fantastic help to the ladies in the canteen.
Eg Thursday night the 12th June Under 13 parent booked 5.30 – finish. Name -----

Email your requests today or speak with your team manager to book a night!!

Next full Saturday game day we need canteen volunteers – at minimum 2 – 3 parents in the canteen is the 14th June 2008. To let you in on a little secret – this is a good one to volunteer for as it is minimal time – the games run from 9am through till 12.30 so it is not even a full day!!! Volunteers for canteen needed at 8am. Book in now with your manager or email today!

Point to note – we have approx 10 games left in the season – with 5-6 of these being home games needing canteen volunteers for Saturday games. That means 10 (approx) more Tuesday nights and 10 more Thursday training nights. All the kids love to play soccer, we all have nice warm homes to get back to, but the canteen on training nights and home game days needs some willing people to assist!! Please come along!
