

Dorking and District Pool League Winter League 2010

Dear existing League and prospective League members, we would like to invite you and your teams to take part in the oncoming Dorking and District Pool 'Winter' League.

I have enclosed the team application form for your completion to be returned to the address stated, or to a Committee member along with your remittance of £50 per team. We shall be issuing receipts for the fee (which we have again maintained at the same level) so that your individual pubs/clubs can account for this cost.

Please be aware that the proposed start date for the Winter League has initially been set as 20th September for this year, however this is subject to change largely dependent on the number of teams that enter.

We shall be adopting the same rules and player formats as the Summer League, namely Hybrid rules and 5 man teams. These have been proved to be very popular amongst the vast majority of players and teams. As a welcome addition to this season we shall be re-introducing the 'Sportsmanship awards' for each division. We will be subsequently looking for your team nominations at a later date.

Most importantly, please can you ensure that you return your forms and registration fees as soon as possible, but at the latest on 6th September? Once we have these we will of course be issuing packs that will include all fixtures etc.

Many thanks,

The Dorking and District Pool League Committee
